

ARMA, International
Southeast Region
2009/2010 Annual Meeting
October 12, 2009

On Monday, October 12, 2009, the ARMA, International Southeast Region leadership met during the annual conference.

In attendance were Alice Young, Region Manager, Cherise Forbes, Region Coordinator, and Linda Johnson, Region Coordinator. Region Treasurer Marylee Jacobs was not available.

Alice asked Cherise and Linda if they had been contacted by region members at the conference, who needed to meet with the region leadership. No one had contacted anyone of the region team with a special request.

Alice mentioned that she would be creating a simple region electronic newsletter to distribute, on a monthly basis, to the region membership. All members of the region would be receiving the e-newsletter, whether or not they belonged to a chapter.

With no additional topics to discuss, the meeting was adjourned.
